**IBBY Press Release for Immediate Release**

It is with great sadness that we must announce that the **37<sup>th</sup> IBBY World Congress** due to be held in Moscow, 5-7 September 2020 has been postponed.

Unfortunately, the coronavirus pandemic has made it impossible to continue with the current dates. Therefore, the Congress has been postponed until September 2021.

Participants who have already registered will have the opportunity to transfer their registration to 2021. Speakers and presenters will be contacted individually. The new dates will be announced as soon as possible.

While we deeply regret this decision, we nevertheless welcome you to participate in the **37<sup>th</sup> IBBY World Congress in Moscow in September 2021.**

We thank you for your understanding.
