### ► Description

All pages of this book are monochrome, with the exception of a single, bright red umbrella held aloft by a girl. Her red umbrella passes a playground, where no one is playing due to the rain. Her red umbrella stops at a pond with waterbirds, passing the umbrellas of a boy and his mother. The girl carries another, black umbrella folded beneath her arm. As we watch her move through the rain, we wonder where she is going—and soon learn.

雨の中を女の子が赤いかさをさしておとうさんをむかえにいくまでに、ドラマチックで楽しいできごとに出会う。墨一色の中に赤いかさを配した絵で伝える文字なし絵本。
